

2023 END OF YEAR REPORT

Weaving Networks. Building Community.
Cultivating Sustainability.

We've been promoting a more sustainable Montana for all since 1974, working at the intersection of renewable energy, sustainable agriculture, and healthy community food systems.

GROWING A RESILIENT AND RELIABLE MONTANA FOOD SYSTEM TOGETHER

Distribution of organizations that attended Helena and Great Falls sessions

From **70%** food self-sufficiency in 1950 to a mere **3%** today, MT's food reliability landscape is at risk. This fall AERO invited 100+ food system stakeholders to Helena and Great Falls to explore solutions and 39+ organizations are now teaming up. Stay tuned!
